Children first

At Curwen our children are at the heart of everything we do. In practise this means we carefully consider whether everything from marking to displays impact on learning and, where they don't, we change them. Teachers time is freed up to focus on what really makes a difference: not paperwork or burdensome marking policies!

'Pupils love their school and their attendance is high' OFSTED

Unparalleled career development

We are fully committed to helping you grow and develop. Our tailored CPD programmes provide clear pathways for your development, all supported by a dedicated coach, while our bespoke leadership programme develops the skills and knowledge you need to progress in your career.
