

About Sheringham Nursery School and Children's Centre

Sheringham Nursery School is one of England's leading nursery schools. Based in Newham, East London, we offer 200 nursery places to children aged 2, 3 and 4 years old. We are [rated Outstanding](#) by Ofsted. We lead the [East London Research School](#) and can offer you exceptional opportunities for your continuing professional development.

If you are passionately committed to play-based learning in the early years, love spending time outdoors, and you want to make a real difference to children's lives, you should come and work for us. We are a friendly and supportive team, committed to excellence. We have a strong commitment to the inclusion of children with special educational needs.

Sheringham leads the Manor Park Community Children's Centre which offers drop-ins, family support and other Early Help activities for families with babies and young children.

We are absolutely committed to ensuring that every child has the best start to life. What happens early, matters for a lifetime. We work closely with parents and with a range of agencies to help children to develop as playful, curious, confident and communicative learners.

Thank you for your interest in our nursery school
