

ACCESS TO OUR OFFICE

We hope that this information sheet will make access to our office easier, whether or not you have a disability.

TRANSPORT

Parking

There is very limited parking in the Finsbury Park area. ISHA is only able to provide a parking permit to staff with a disability. We have pool cars or staff can book parking spaces when transport is essential for their work.

Bicycle racks are available both alongside and in front of the office.

Tubes

The nearest tube station is Finsbury Park (Victoria and Piccadilly lines) – about 10 minutes' walk from the office.

Trains

The nearest train station is also Finsbury Park with trains from Moorgate and Kings Cross.

London Overground operates a train from Stratford to Finsbury Park (Station) every 10 minutes, and the journey takes 13 min.

Buses

Many buses run between the Finsbury Park station and the office: 4, 19, 106, 236. Other buses stop on Seven Sisters Road at about 7 minutes' walk from the office: 29, 253, 259, 279.

THE OFFICE

Physical Layout

Reception and the Customer Services Team are located on the ground floor. All the other departments are on the first or second floors.

A lift can be used to gain access to the both floors. The whole office is wheelchair accessible.

A disabled loo is available on each floor including one at Reception.

Physical Features

There are soft strip lights throughout with good natural light. The managers' offices are further away from windows and rely more on artificial lighting, however, those offices have an air cooling system to facilitate temperature control.

As the office is mainly open plan, noise level varies and can be high at times.

There are audio loop systems in the main meeting room, the tenant interview rooms and at Reception.

(For Applicants)

Except for senior staff, most employees sit in an open area with a few other staff, with computers and printers operating intermittently during the day.

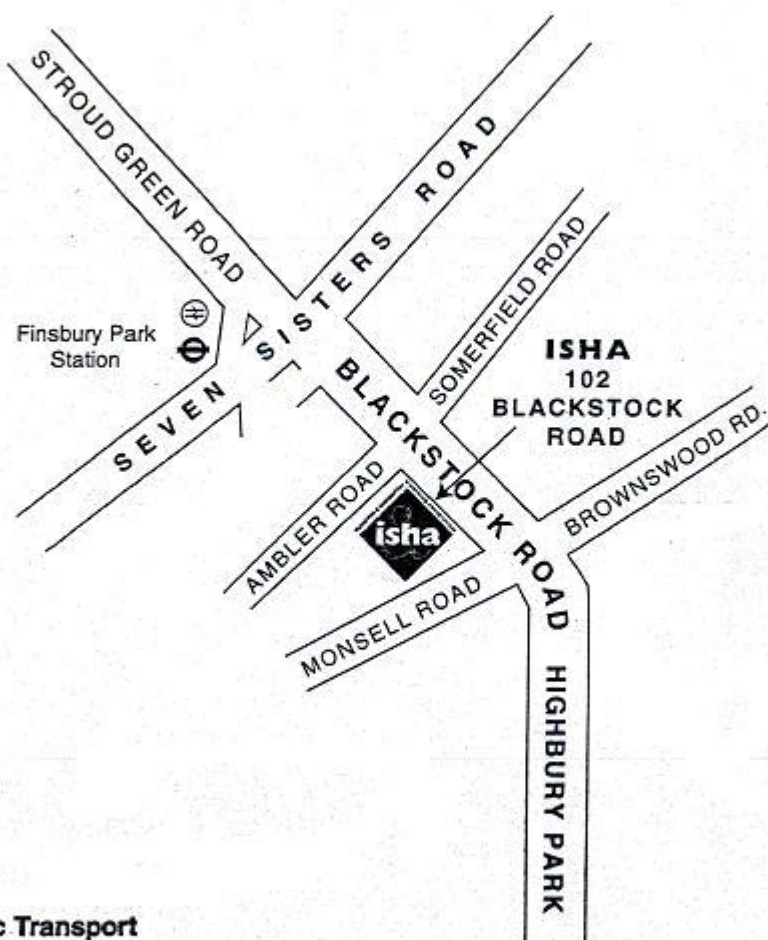

The height of some desks can be varied and would be suitable for wheelchair users or very tall people.

We hope that we have provided you with enough information on access but if you need more please contact the HR team.

If you have any comments on these access details, we would find the feedback very useful.
