About the Department

AIMS

***'I am among those who think that Science has great beauty.'* Marie Curie**

At Bremer we aim to enrich the learning of our pupils with the scientific methods, knowledge and ways of thinking to be the best they can be.

VISION

Our students will develop the skills and confidence to form ideas and theories of their own to resolve challenges, beyond life at Frederick Bremer. They will evaluate the evidence and critically challenge the theories and preconceptions presented to them by sources both reliable and unreliable.

We aim to instil in our students the same passion for science that we have as teachers. Teaching materials are designed to lay a firm foundation to a lifetime of scientific thinking and to enthuse this passion. We aim to integrate the key concepts in all of the sciences as well as the idea of working scientifically to develop pupils who are inquisitive; able to balance the strength of evidence and be confident in their scientific predictions.

In seeking to transform lives, our curriculum has been designed so students can develop the skills required to engage in scientific activity; appreciate the impact and relationship to other subjects in the curriculum and support our students' mastery of debate through the power of accurate scientific vocabulary.

EVENTS

- Each year, the Science Department hosts an event on International Women's Day to celebrate the women who work and contribute to the major scientific findings that we see everyday. It is an opportunity to promote full and equal access to and participation in Science for women and girls and to encourage equality in the STEM fields. We have had the pleasure of hosting the Queens nurse, an Olympic Sailor, Detective Superintendent and the Local Mayor to name a few.
-
- Science Week is one of our favourite Bremer events. From trips to the Body world, allowing an in-depth exploration of the human body, to The Big Bang Fair showcasing some of the most fantastic robots in the world. Such experiences inspire our youngsters and get them enthused about the wonderful world of science.
-
- We have also launched Frederick Bremer's entry into the CREST Awards with the London Mayors Science Project which engages young students into STEM subjects through enquiry-based learning, providing them with a real life experience of 'being' a scientist.
-
- Science club is very popular amongst the younger students. The emphasis is on understanding and loving science without the need to write it down. Experiments include making slime and eye dissections.
-

What do our staff say about working at Frederick Bremer?

Frederick Bremer puts creativity and vision at the heart of everything it does as a school. As a member of staff here I have truly felt that this innovative way of working has allowed me to progress in my career rapidly and with full support. The curriculum is inventive and holistic and takes into account the wellbeing and needs of the pupils, the staff and the wider community.

Lead Practitioner/ Creativity

*I love working at Frederick Bremer as the students, staff and wider community give it a unique family feel. Everyone is welcomed and accepted for who they are, and there is a strong community ethos and culture of trust and understanding which runs through our day to day life. Every student is known, catered for and is at the heart of everything we do. It truly embodies the motto of 'being the best you can be'! **MFL Teacher / HOY 7***

I have been able to develop professionally because of the support and trust placed in me. Career and professional development is a key area at this school. Whether you want to develop within the area you are currently working or move into a new area everyone is given an opportunity to progress. I wouldn't be where I am today without Bremer. Working here has provided me with that key commodity that working parents lack; time with their child[ren].

School Manager

*I love working at Frederick Bremer because this is a school that really helps teachers to develop. I love teaching pupils who love to learn, try their best, and are extremely personable and positive. I love working in a richly diverse school who care and place an emphasis on teacher well-being and who are hugely supportive with my career. **Head of Year 9, Geography***

I started here as a temporary receptionist nearly 7 years ago and am now an admin team leader, line managing reception. I love working at Frederick Bremer because I feel valued and have had great career development over the years, having learnt so much. Working with a brilliant group of people has always been a bonus too!

Communication and Systems Manager

*Working at Frederick Bremer is both inspiring and rewarding especially because I work as a TA in the SEN department and no two days are ever the same. The schools values and ethos represent what Bremer is about, each member of staff supports each and every student to 'be the very best they can be'. We are all part of a supportive network where SEN students are able to integrate into the wider school community. **Teaching Assistant***

*Having trained to teach at Bremer, I have continued to work and develop here for the past 4 years. Bremer's diversity and inclusion are two aspects of our community I like the most. Our students have creativity, character and drive, which makes my job enjoyable. The school has provided me with opportunities to develop my own practice, and as a result I run our new whole school Wellbeing Curriculum. No other local school addresses student wellbeing in this way, and it's exciting to be at the forefront of delivering this new initiative. **English Teacher / Student Wellbeing Lead***

*I have been working at Frederick Bremer School since April 2019. I have to say that it has been one of the best decisions I have made. The students are a pleasure to work with and all the staff at Frederick Bremer are friendly and supportive. Staff wellbeing and a good work-life balance is supported by the early closure on Fridays. The CPD at the school is genuinely challenging and inspires you to become a better teacher and leader. **Science Lead Practitioner***

*I have worked at Frederick Bremer for 7 years now, including 6 years as Head of MFL. The main reason I have stayed here so long is because of the amazing students and the cohesion of the staff. I love working in such a diverse community. Everyone gets on and supports each other. You only have to spend 5 minutes in the building to sense what a community feel it has to it. Students from different backgrounds and year groups all play happily side by side every day. Without the support of senior management and friendly colleagues, this job can be tough. As a working mum, I have been fully supported and even after taking a year of maternity leave off, management have been supportive in continuing to develop me professionally. **Assistant Headteacher (Collective Ethos)***

*My job gives me the opportunity to have a positive impact on people's lives and make a difference every day. I go home and I know I made a real difference. I am proud to say I work at Frederick Bremer School and am honoured to still be a part of the family after 10 years. Being a part of Bremer keeps me smiling which is good for my soul and my psychological wellbeing. I love that I'm encouraged to try new things out and be innovative through professional development. **ICT Teacher***

Safeguarding Summary

This summary sheet is for all staff working, volunteering or officially visiting the school including those on supply or other short contracts (even if for only a day). Ensuring such staff read this sheet contributes to the school's commitment to safeguarding and promoting the welfare of pupils. All of us should aim to proactively safeguard and promote the welfare of children so that the need for action to protect children from harm is reduced.

We are committed to embedding a culture of vigilance in everything we do.

As an adult in this school you have a duty of care towards all pupils. This means you should act at all times in a way that is consistent with their safety and welfare. Be alert to signs and indicators of possible abuse (a checklist is available from Reception as part of the Safeguarding Policy and summarised below). If you have a concern about a child, particularly if you think s/he may be suffering or at risk of suffering harm, it is your responsibility to share the information promptly with the Designated Member of Staff for Child Protection (Ben Lyon) or the Deputy Lead (Deborah Davies). In the absence of a designated member of staff you should report to the Head teacher (Jenny Smith).

The following is not an exhaustive list but you might become concerned as a result of:

- seeing a physical injury which you believe to be non-accidental
- observing something in the appearance of a pupil which leads you to think his/her needs are being neglected
- witnessing behaviour which gives rise to concern
- a pupil telling you that s/he has been subjected to some form of abuse
- In any of these circumstances you should write down what you observed or heard, date and sign the account and give it to the designated teacher.
- If a pupil talks to you about (discloses) abuse you should:
 - Stay calm
 - Do not communicate shock, anger or embarrassment
 - Reassure the child. Tell him you are pleased that he is speaking to you
 - Never enter into a pact of secrecy with the child. Assure him that you will try to help but let the child know that you will have to tell other people in order to do this. State who this will be and why.
 - Tell her/him that you believe them. Children very rarely lie about abuse; but he may have tried to tell others and not been heard or believed
 - Tell the child that it is not his fault.
 - Encourage the child to talk but do not ask "leading questions" or press for information
 - Listen and remember
 - Check that you have understood correctly what the child is trying to tell you
 - Praise the child for telling you. Communicate that s/he has a right to be safe and protected
 - Do not tell the child that what he experienced is dirty, naughty or bad
 - It is inappropriate to make any comments about the alleged offender
 - Be aware that the child may retract what s/he has told you. It is essential to record all you have heard

At the end of the conversation, tell the child again who you are going to tell and why that person or those people need to know. You are not expected to make a judgement about whether the child is telling the truth. If the behaviour of another adult in the school gives rise to concern you should report it to the Head teacher.

Remember: share any concerns, don't keep them to yourself.

Important Note for All Applicants

Policy Statement on Recruiting Ex Offenders And Safe-keeping of Disclosures

The policy objective of London Borough of Waltham Forest on disclosure information is:

To ensure that disclosure information is used fairly in the recruitment process to prevent discrimination against **staff, volunteers, service users, potential employees and ex-offenders** on the basis of conviction or other details.

To maximise the protection for children in Waltham Forest schools and other vulnerable people against those who might wish to harm them.

To achieve our policy objectives and to comply with the Disclosure and Barring Service (DBS) Code of Practice under Section 122 of the Police Act 1997, London Borough of Waltham Forest, as a Registered Umbrella Body for Disclosure, undertakes to implement the following general provisions.

General Provisions on Disclosure Policy

Recruitment Process

London Borough of Waltham Forest will carry out risk assessments for each position and encourage managers to adopt an open mind in recruitment decisions. In making recruitment decisions our managers will:

- Assess the nature and relevance of the offence, the potential risks involved in employing the offender, and how these could be sensibly and effectively managed.
- Focus on a person's abilities, skills, experience and qualifications.
- Consider the nature of the conviction and its relevance to the job in question.
- Identify the risks to our business, customers, clients and employees.
- Recognise that having a criminal record does not always mean a lack of skills,
- Note that high-quality training, leading to qualifications is available in prison
- State the level of Disclosure applicable to any posts that requires a Disclosure
- Discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Ensure that where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate, confidential cover, to a designated person within your school and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.

Only ask about "unspent" convictions as defined in the Rehabilitation of Offenders Act 1974, unless the nature of the position allows London Borough of Waltham Forest to ask questions about your entire criminal record.

Include in application forms or accompanying materials a statement to the effect that a criminal record will not necessarily be a bar to obtaining a position. Where a Disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.

Recruitment of Ex- Offenders

Unless the nature of the work demands it, ex-offenders will not be asked to disclose any convictions 'spent' under the Rehabilitation of Offenders Act 1974. Having an 'unspent' conviction will not necessarily bar an individual from employment. This will depend on the circumstances and background of the offence(s).

London Borough of Waltham Forest meets the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974, therefore all applicants for positions of trust who are offered employment will be subject to a criminal record check from the Disclosure and Barring Service before the appointment is confirmed. This will include details of cautions, reprimands or final warnings, as well as convictions.

Declaration of Convictions

Applicants will be actively encouraged to declare any convictions, or any other information that may be relevant, at an early stage in the recruitment process. **Failure to declare a conviction, caution or bind-over may, however, disqualify an applicant from appointment, or result in summary dismissal if the discrepancy comes to light.**

Training

We ensure that all those in London Borough of Waltham Forest who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.

Storage & Access

Disclosure information is never kept on an applicant's personnel file and is always kept separately and securely, in lockable, non-portable, storage containers with access strictly controlled and limited to those who are entitled to see it as part of their duties.

Documents are kept in lockable and non-portable storage containers. Keys or combinations for such storage units are **only** available to named individuals. Access to rooms containing storage containers are restricted to staff engaged in recruitment work.

No photocopy or other image of the Disclosure is retained, nor is any copy of the contents made or kept. However, records will be kept of the date of a Disclosure, the name of the applicant, the type of Disclosure, the post in question, the unique number issued by the Bureau and the recruitment decision taken, as well as a written record of the names to whom disclosure information has been revealed.

Handling

In accordance with section 124 of the Police Act 1997, Disclosure information is only passed to those who are authorised to receive it in the course of their duties. We maintain a record of all those to whom Disclosures or Disclosure information has been revealed and we recognise that it is a criminal offence to pass this information to anyone who is not entitled to receive it.

There may be circumstances where a recipient of Disclosure information is asked to reveal details of a Disclosure to a third party in connection with legal proceedings for example, in a case submitted to an Employment Tribunal. In such instances London Borough of Waltham Forest will inform the Bureau of any such request **immediately and prior** to the release of any information.

Usage

Disclosure information is only used for the specific purpose for which it was requested and for which the applicant's full consent has been given.

Retention

Once a recruitment (or other relevant) decision has been made, Disclosure information is kept for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints.

If, in very exceptional circumstances, it is considered necessary to keep Disclosure information for longer than six months, we will consult the DBS about this and will give full consideration to the Data Protection and Human Rights of the individual subject before doing so.

London Borough of Waltham Forest will not keep any photocopy or other image of the Disclosure or any copy or representation of the contents of a Disclosure. However, we will retain the top part of the Disclosure certificate as proof of having received the document once the six-month retention period has elapsed. This contains the details of the applicant along with a reference number known to the DBS, but does not contain details of any convictions. *(References in this section to Disclosures include relevant non-conviction information supplied by the police but not included on Disclosures.)*

Disposal

Once the retention period has elapsed, we will ensure that any Disclosure information is immediately destroyed by secure means, i.e. by shredding, pulping or burning. While awaiting destruction, Disclosure information will not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack).

Lost Disclosures

If Disclosure information (or information contained within the Disclosure) is lost, the Bureau will be informed immediately. The Bureau will consider whether to issue a replacement, if this is requested.

Availability of Policy

A copy of London Borough of Waltham Forest's Policy on employing people with criminal records is included in recruitment material. We make every subject of disclosure aware of the existence of London Borough of Waltham Forest's full disclosure policy and handling of disclosures and the DBS code of practice. These will be made available to staff, potential employees and service users on request.

Assurance checks

London Borough of Waltham Forest will implement internal audit checks on the disclosure process and co-operate with the Disclosure and Barring Service in respect of any compliance enquiries and related matters.

Frederick Bremer School

Be the best you can be

Equalities Objectives 2020—2022

Equalities Statement

1.1 Rationale

At Frederick Bremer School equal opportunities are central to our school ethos and values. Respect, responsibility and integrity are our school values and are at the heart of all of our work. We expect all pupils and staff to model these values on a daily basis, and ensure that every member of our community is equally valued.

We expect all pupils and staff to challenge and act upon racism, sexism, homophobia and all other forms of prejudice, discrimination, including bullying and harassment (see appendix 1). We are pro-active in promoting inclusion, diversity and mutual respect through policy, assemblies, the curriculum and events throughout the year.

1.2 Vision Statement and School Values

Frederick Bremer School is a strong community school where every child and colleague is known, grown and nurtured to be 'the very best they can be'. Our values and ethos are explicit and tangible from the moment you enter the school, and all members of the school community share our values of 'Respect, Responsibility and Integrity'.

Being part of the Frederick Bremer family is based on a shared understanding of equality, diversity and inclusion. We are a very diverse community and our diversity is our strength. Every member of our community is included, heard and valued.

Community education is very important to us. We believe that our school is here to serve and support the local community, and that the children of our community deserve the very best. We are committed to being a forward-thinking employer with established best practice in ethical recruitment, flexible working and gender equality. Our 21st Century curriculum celebrates religious and cultural diversity and embodies British Values. We are a reflective organisation and we are always reviewing our policies and process to ensure they reflect our school ethos and strong equalities focus.

1.3 Justification and Legal Requirements

The public sector equality duty is a duty on public authorities to consider how their policies or decisions affect people who are protected under the Equality Act 2010.

When public authorities carry out their functions, the Equality Act says they must have due regard or think about the need to:

Eliminate unlawful discrimination, harassment and victimisation

Improve equality of opportunity between people with protected characteristics and those who do not

Foster good relations between people who share a protected characteristic and those who do not

We ensure that our school policies and practices reflect The Equality Act 2010. The Act aims to promote a fair and more equal society and to protect our pupils and colleagues from unfair treatment. The Equality Act defines nine protected characteristics applicable to our pupils and colleagues.

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation

See Appendix 1 for further explanation of each of the protected characteristics

The Equality Act states that discrimination of the above protected characteristics can manifest in the following form

direct discrimination

indirect discrimination

failure to make reasonable adjustments

discrimination arising from a protected characteristic

harassment

victimisation

See Appendix 2 for further explanation of each of these forms of discrimination

At Frederick Bremer we recognise that staff and pupils have multi-layered identities. This might mean that some staff and pupils may identify with more than one protected characteristics

1.4 Aims and Objectives

The governing body and school, through this Equal Opportunities Policy, aims to:

Carry out its legal duty in complying with the Equality Act 2010 and Public Sector Duties

Ensure that equality remains high on the school's strategic agenda;

Create a zero tolerance school culture to prejudice and discrimination, where staff and pupils actively challenge behaviours that do not promote equality in all its forms

Recognise that some historic inequalities exist which we aim to rebalance through our Equalities Policy

Establish good people management practices and create a school where equalities are embedded in the school's day to practice

Ensure that equality remains high on the school's strategic agenda

Achieve a staffing composition that reflects the wider community

1.5 Equalities Objectives

Every two years we will publish Equalities Objectives. We will review and monitor how we are working towards these objectives.

Our Equality Objectives 2020-22:

To identify and then actively address gaps in pupils' academic achievement and participation in extra-curricular activities, in particular: disadvantaged pupils, pupils with special educational needs, looked after pupils and pupils from black and minority ethnic (BAME) backgrounds

To ensure that our curriculum and teaching celebrates mutual respect, and equality and challenges prejudice

To actively ensure that we engage stakeholders in developing equalities best practice, policy and provision in the workplace so that all staff and pupils feel represented and included in our school community.

Please refer to our Equalities Policy for further information
