*Royal Greenwich Trust School, part of the University Schools Trust, is an expanding start-up 11-18 school in the heart of Royal Greenwich.*

In 2017, RGTS was established with an initial cohort of year 7 students and a sixth form provision.

This year, we opened our brand new £14 million new wing and moved into the next stage of the school's development as our inaugural cohort transitioned into Key Stage 4.

Our continued growth affords us the opportunity to increase our senior team and presents an exciting opportunity for the right candidate to play a really significant role as Deputy Headteacher in shaping the future of our vibrant learning community.

University Schools Trust (UST) is a unique partnership of six world-leading universities and five sector-leading bodies who are working together to deliver a shared vision of inclusive, high-quality and transformational education.

**Working with us guarantees the opportunity to:**

- Be an integral part of driving the school forward in its next stages of growth and development
- Strategically lead on key areas of the school's improvement plan
- Develop links with our wider UST network for CPD and in securing collaborative practice.

**We want to hear from you if you place relationships at the heart of your work and are an outstanding practitioner who is:**

- **Ready** to take on the challenges of being a key figurehead within our diverse learning community
- **Galvanised** and motivated to make a positive and direct difference across all areas within your agreed portfolio
- **Talented** and experienced in whole school leadership, having served on at least one senior team
- **Skilled** in leading others and in building and sustaining high performing teams
- **Unrelenting** in your pursuit of excellence in all aspects of your practice
- **Successful** in working with young people and securing the best outcomes for them
- **Team spirited** and prepared to go above and beyond to get the job done.
