Job description

Purpose of role

Working under the leadership of the Chief Finance (Section 151) Officer to:

Be the Council's expert for one of the following

- Adults & Public Health
- Children's and Schools
- Place (including Regeneration, Housing and Environment)
- Strategy & Change
- Corporate Resources
- Pensions & Treasury
- Capital & Projects
- Planning & Monitoring
- Financial Control

Key accountabilities

- Lead the implementation of a business partnering model across Finance
- Provide strategic advice to services so that the financial aspects of operational and strategic, business and service plans (eg HRA business plan) and Council wide projects promote and demonstrate best practice, sound financial governance, and deliver value for money

- Take shared responsibility for the delivery of the Council's Medium Term Financial Strategy (MTFS), capital programme, budget monitoring including project work, collection fund accounts
- Work collaboratively with the Finance senior leadership team ensuring the core financial functions make a valuable contribution to the Council and the community it serves.
- Be decision-makers for the key accountabilities set out below and/or as directed by Chief Finance Officer (Section 151 officer)
 - Preparation of the Council's annual revenue budget and formulation of the key financial data, which will form the basis of the MTFS.
 - Support production of company accounts
 - Provision of technical advice and support to senior officers on complex financial legislation and regulations
 - Be the lead contact for the budget setting process on all matters connected to the revenue budget
 - To monitor the Council's overall revenue budget position and to report to FSG and Corporate Board on variances
 - Complete Government claims and statistical returns
 - To advise and report to Members and senior officers on the implications of all Formula Grant issues for the Council
 - To manage grant claims
 - Manage staff.
- To effectively manage relationships and liaise with internal and external partners, promoting joint working arrangements and sharing information as appropriate.
- To manage, develop and appraise staff in line with the Council's HR policies, procedures and best practices.
- To lead, motivate, manage, train and develop the members of the team to meet business objectives, and contribute to the overall management of the section.
- To answer Councillor's and residents' questions on finance matters.
- To lead and to contribute to departmental and corporate working groups.
- To manage own professional development, keep up to date with accounting and relevant statutory legislation, regulations, standards,

service developments and initiatives and the Council's policies and procedures.

- To be responsible for ensuring effective liaison with other teams in Finance and within Corporate Resources and the organisation to promote joint working arrangements and the sharing of information.
- To be responsible for the promotion and implementation of all the Council's policies and procedures including equalities and diversity, health and safety, security and the use of personal data
- To carry out any other duties and responsibilities of a similar nature as required by the Chief Finance Officer (Section 151 Officer).

Business Partnering

- To lead the coordination and preparation of the Council's Medium Term Financial Strategy and revenue
- Lead the preparation of papers to support budget setting decisions by the Leader of the Council, Members and Corporate Board and implement decisions accordingly.
- To establish and provide detailed budget guidance for services, including the allocation of any savings targets required to set a balanced budget, leading to the production of the Council's Annual Budget and Council Tax setting report, in line with the Council's agreed Medium Term Financial Strategy (MTFS).
- To provide expert advice on all aspects of the MTFS -revenue and capital to officers, including Executive Directors, Service Directors and Members, in particular the impact of the Formula Grant announcement and the implications for the Council.
- To appraise and assess the impact of changes in Government grants, new legislation and other significant factors, such as inflation, on the Council's budget and finances generally and to prepare briefing notes and reports the Chief Finance Officer, Members and Corporate Board as necessary.
- To provide statistical information for the budget book and associated reports.

- To manage the production of all financial information for the Council Tax information leaflet and answer queries from members of the public on budget information. To undertake public consultation on the budget with council taxpayers and business ratepayers.
- To represent the Council at local authority association meetings, including London Councils e.g. on Formula Grant matters. To represent the Council at other local authority Formula Grant lobby groups that share a common interest with Ealing.
- To prepare regular reports for Members on progress on Formula Grant issues, on behalf of the Chief Finance Officer and advise on the position the Council should be taking at Formula Grant Sub-Group meetings and ministerial consultations on provisional Formula Grant announcements.
- To prepare briefing papers on behalf of the Chief Finance Officer and the Leader of the Council for the London Councils Committee meetings on Formula Grant and for meetings of the Local Government Association.

Strategic Finance

- To represent the interests of the Chief Finance (S151) officer at meetings including interdepartmental and other working parties, offering strategic financial vision and direction to significantly impact across the range of services provided by the authority to the residents of Ealing, interpreting policy advice, inform and advise the management team of service directorates
- To drive performance improvements within services by building effective relationships and ensure a high level of financial literacy across the organisation.
- To manage the Council's broader development agenda, appraising and evaluating investment options and change programmes. Develop appropriate value for money analysis for the evaluation of the Council's revenue and capital programmes including changes to funding streams, commercial opportunities and financial targets for the Medium Term Financial Strategy
- To manage the preparation and development of the budget and MTFS process and challenge where appropriate, especially on affordability and value for money and ensure the financial implications of policy and operational proposals are included in reports and financial advice to members so that decisions are made in the full knowledge of financial implications.
- To manage the preparation of reports for Cabinet as required on budget monitoring and budget setting matters, including the Council's annual Budget report and MTFS for Cabinet and Council.

- To make presentations on the Council's budget and MTFS to senior officers and other stakeholders.
- To be responsible for ensuring the provision of appropriate, accurate and timely ad hoc management information, verbal and written advice and guidance to all levels of staff, in relation to all aspects of the finance function and in accordance with the Council's policies and procedures and to promote awareness of good financial practice and control.

Key relationships (internal and external)
