

Why use

HACKNEY

Building Control?

We aim to make a difference by striving for excellence - so let's help build your vision:

- Expert knowledge in building regulations
- Competitive pricing
- Expert advice in fire safety especially in high rise buildings
- Professional service that tailors the needs of the customer
- Same day inspections
- Dedicated inspector to look after your project
- Local knowledge on ground conditions and local builders merchants
- Proven competencies in aspects of the built environment.

We pride ourselves on providing a high quality service that is tailored to your needs. We want to help you along your journey to a successful build by providing a fast, experienced and dynamic service to ensure that all approval and certification requirements are achieved without delay or unnecessary expense. We deal with **domestic extensions, loft conversions, community builds, high rise residential and commercial developments.**
